PRESS RELEASE

4<sup>th</sup> September 2016

## PUT AN END TO THE CONSPIRACY ON NETAJI'S DISAPPEARANCE

The All India Forward Bloc, the party founded by Netaji Subhas Chandra Bose registers its strong protest on the ongoing conspiracy to bring the so-called ashes of Netaji allegedly kept at Renkoji Temple, Tokyo, Japan.

On the basis of the so-called document released by Japan regarding the old and rejected theory of air crash, a group of people who benefitted from Japan and other foreign countries are trying to create confusion and to misguide the nation on the issue of Netaji's disappearance.

It is fact that the last enquiry commission on Netaji's disappearance headed by Justice Manoj Kumar Mukherjee emphatically proved that Netaji didn't die in the alleged plane crash as there was no air crash on 18<sup>th</sup> August 1945 at Taihuku airport, now in Taiwan. It was also reported that there were no plane crash even before and after one week from 18<sup>th</sup> of August 1945. Taiwan government's official record on this fact is a part of the Commission's report. As there was no plane crash occurred, the ashes kept at Renkoji Temple is a fake story. According to the Commission's documents the ashes kept at Renkoji Temple are the remains of Ichiro Okura, a Taiwanese army-man who died in August 1945. The Commission had visited Japan, Taiwan, Russia and England to verify the veracity of the arguments of different stories before the commission came to the conclusion that Netaji didn't die in the plane crash on 18<sup>th</sup> August 1945.

Moreover during the six year period of the Commission, it allowed all the stake holders to submit before the Commission to prove their arguments. Many of the people who write and argue to bring the ashes now, were kept mom during the period of Commission. Those who submitted before the Commission had failed to prove their argument with substantive evidences about the plane crash theory.

Therefore, the demand of bringing the ashes time and again is a part of conspiracy to bury the real truth behind the disappearance of Netaji. The All India Forward Bloc is of the opinion that all the documents with government of India, which are now releasing on installment basis and the documents lies in foreign countries should be verified by a sitting Judge of Supreme Court with the help of noted historians of the country to put an end to the conspiracy behind the entire story of Netaji's disappearance. The All India Forward Bloc will extend all sorts of cooperation and assistance to such initiative.
