PRESS RELEASE  
27<sup>th</sup> March 2019, New Delhi

## FORWARD BLOC RELEASES MANIFESTO "REBUILD INDIA IN NETAJI'S WAY"

The All India Forward Bloc has released its election manifesto today. The manifesto explains that when the democratic traditions and secular values are being confronted with grave threats from the ruling clique, the democratic, secular and socialist path shown by Netaji Subhas Chandra Bose is the real alternative to save our country. The farmers, workers, youth, women, minorities, dalits, adivasis and other marginalized social groups are up in arms against the government. This anti-incumbency trend will be the major factor in this election and it will go in favour of the left, democratic and secular forces.

The manifesto ensures more public expenditure for agriculture, health and education. The party will not allow FDI in agriculture, Bank, insurance, defence production, and retail trade. The party will formulate stringent measures to implement land reforms and rehabilitation programme. It will ensure food, drinking water, electricity, employment, education and health for all. The party will re-enquire the mystery behind the disappearance of Netaji Subhas Chandra Bose and will declare 23<sup>rd</sup> January (Birthday of Netaji) as "Desh Prem Divas". Netaji Bhavans will be established in all state headquarters as socio-cultural centers.

The AIFB has released its first list of candidates yesterday. The final list will be released later on.

The copy of the Election Manifesto 2019 is attached herewith.
